

**17<sup>th</sup> WORKSHOP ON**  
**MACROECONOMIC DYNAMICS: THEORY AND APPLICATIONS**

**CALL FOR PAPERS**

This is to announce that Friday, the **21<sup>st</sup> of December, 2018** a research workshop on *Macroeconomic Dynamics: Theory and Applications* will be held in Rome at LUISS University.

**WORKSHOP THEMES, AIMS AND FUNDING**

The workshop will bring together researchers working on dynamic macroeconomics, both theoretical and applied, to discuss research papers and agendas. It aims at fostering interactions between economists doing frontier research. Contributions from young researchers are particularly welcome. All accepted papers will be discussed by an expert in the field. For information on past meetings see <https://sites.google.com/view/md-workshop/home>.

The organization will refund travel expenses within Italian borders and provide accommodation for one author per paper.

**SELECTION PROCESS**

Both theoretical and applied papers will be considered. A decision on participation will be based on a detailed abstract or preferably on a draft paper. Only papers not yet accepted for publication should be submitted. **The submission deadline is October 15<sup>th</sup>, 2018.** Interested authors are invited to send the paper (or its detailed abstract) in PDF format to [macdyn2018@gmail.com](mailto:macdyn2018@gmail.com). Submissions will be acknowledged by e-mail to the submitting author. Acceptance will be notified by November 12<sup>th</sup>. Final drafts of the papers will be due by the end of November.
