

**9th WORKSHOP ON
MACROECONOMIC DYNAMICS: THEORY AND APPLICATIONS**

CALL FOR PAPERS

This is to announce that on **December 20th, 2010** a research workshop on *Macroeconomic dynamics: theory and applications* will be held in Rome at *EIEF - Einaudi Institute for Economics and Finance*.

WORKSHOP THEMES AND AIMS

The workshop will bring together researchers working in the broad field of modern dynamic macroeconomics, to discuss research papers and agendas. It is primarily addressed to Italian researchers and to researchers connected with Italian institutions. Contributions from Ph.D. students in their final year and from junior researchers are particularly welcome.

The main aims of the workshop are:

- to discuss recent research papers in the area of dynamic macroeconomics;
- to present promising young researchers in the area;
- to create networks of researchers working in closely related fields and on similar topics, ideally for future joint research projects and collaborations.

All accepted papers will be discussed by an expert in the field. The final program of the 2009 edition is available at http://economia.unipv.it/pagp/pagine_personali/gascari/md09.htm.

SELECTION PROCESS

Both theoretical and applied papers will be considered (but not strictly econometric papers). A decision on participation will be based on a detailed abstract or preferably on a draft paper. Only papers not yet accepted for publication should be submitted.

The submission deadline is October 10th, 2010. Interested authors are invited to send an abstract or the paper in PDF format to macdyn2010@gmail.com

Acceptance will be notified by November 8th, 2010. Final drafts of the papers will be due in electronic format by the end of November. The organization will refund travel expenses within Italian borders and provide accommodation for one author per paper.

ORGANIZING COMMITTEE

The program will be organized by Guido Ascari (University of Pavia), Giorgio Bellettini (University of Bologna), Gianluca Femminis (Catholic University of Milan), Francesco Lippi (University of Sassari and EIEF), Marco Maffezzoli (Bocconi University and IGIER), Tommaso Monacelli (Bocconi University and IGIER) and Alessandro Secchi (Bank of Italy).
