

IEIF SUMMER LECTURES

via Sallustiana 62, Rome

IEIF summer lectures are meant to provide, in a seminar style, a quick overview of recent frontier research in four broad areas: Macroeconomics, Political Economy, Geography and Trade, Finance. For each area there will be 6 or 8 lectures of 2 hours each (the detailed calendar is provided below). All the lecturers will be visiting IEIF, and will be available for interaction with participants.
